

# designroom group PTY LTD

This letter is to confirm that all children's products produced by Designroom Group comply with the new US standards set by the CPSC for Lead and Phthalate levels.

Further to this we also comply with the 2<sup>nd</sup> and 3<sup>rd</sup> stage of lead testing standards that will be introduced on August 14, 2009 and August 14, 2010.

Simon Pithie
